

JUNIOR PERFORMANCE TENNIS COACHING PROGRAMME

25th APR – 18th JUL 2022 (11 Weeks)

(excluding 2nd May and half term - 30th May-3rd June)

At LLTSC, our coaching programme aims to encourage as many youngsters as possible into the game and to equip them with the knowledge, skills and enthusiasm to achieve their full tennis potential. The Performance Squads are an opportunity for the best players in the club to take things to the next level, by practising together in a team environment with the objective of achieving a higher level through greater commitment and expectation.

The programme is led by LTA Level 4 Performance Coach Miguel Espada, who is supported by LTA Level 4 Coach, Jamie Taylor and Ed Aveyard. Players are expected to be fully involved in their own club programme by training 3 times a week (Over 12's) or 2 times a week (U12) and representing LLTSC in team or individual competitions. Fitness is a key feature of the training programme and because of that, we follow a comprehensive routine each training session.

Performance is about setting a standard which can be achieved through the quality, intensity, work rate and attitude of a good, individual player. The commitment, enthusiasm and success of individual players will help to achieve a good bond and lead to a successful programme.

For information on how to become a performance player contact Miguel for an assessment session on 07704 603969 or espadasports@hotmail.com.
